

“STEAM LITERACY” ERASMUS+ PROJECT

2022-1-SK01-KA220-SCH-000087555

7 - 11 October, 2024

Sunday

Sunday was our arrival day.

We met at Schwechat Airport at 5:30

Our plane took off at 8:05

We traveled with Turkish Airlines.

Firstly we flew to Istanbul and we waited two hours for the transfer there.

Two hours later we flew to Cukurova, then a one-hour bus ride was waiting for us to Mersin.

Our hosts were waiting for us at the hotel.

The parents took us all home and we got to know the family.

Around 9, we went out with friends to the local supermarket, it called Marina.

We shopped and looked at the harbor at night.

We went home and got ready for tomorrow.

Flight

Marina

Monday

On Monday morning we went with our hosts to their school, at that time only us slovak students were there.

The english teacher welcomed us, offered us with tea and biscuits.

We spent the morning with the local elementary school children. We met, played, competed with them.

Finnish, Portuguese, Adana students started arriving later.

We started with familiarization game, after that was the school tour, we did archery.

Followed by our presentation about Fibonacci and his work.

We were playing Scratch games and we coded.

After school, we went to the Forum to shop, look around and have dinner.

Then we went to a restaurant with the Anada student, we taught each other words in each other's language.

Morning

Afternoon

Tuesday

At the morning was portuguese presentation.

They introduced us to chemistry experiments, physical exercises.

We had to put out the puzzle playfully.

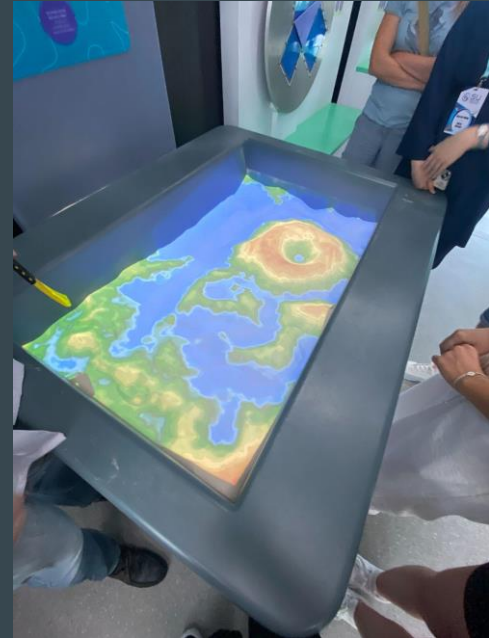

In the afternoon the program was the Mercan tour, it is a science center. This was very interesting for us.

in the evening we went to eat to the harbour.

Portuguese activity and the puzzle solving

Mercan tour

Wednesday

At the morning was Finnish presentation. We built a bridge of spaghetti.

After that we made a robot of Lego, which we also programmed.

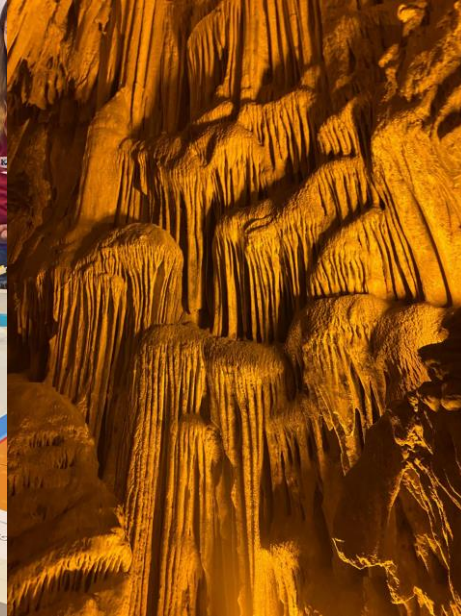

We made a rocket from a water bottle and we also assembled a current conductor.

We traveled along the coast for two hours and then arrived at the place called Heaven and Hell.

We climbed 700 steps to the first cave. Halfway there was a ruined building. The second cave was so gorgeous.

Late at night we went with friends to taste the local desserts.

Finnish program and the morning

Dessert tasting

Thursday

On this day we went to a boat trip and we bathed in the open sea.

The boat was transformed into a party ship.

In the evening we went to taste the best Adana kebab.

Friday

It was our last day at school.

In the morning all nations showed us their favorite songs and we danced to them. We tasted the typical flavors of each nation.

The main organizer gave everyone their diplomas.

Then we said goodbye to our new friends, which made us cry a lot.

Later we went shopping at the Forum to buy souvenirs, then our hosts joined us and we walked to the beach together.

On the beach we reminisced about this experience-filled week.

School program and the beach

Saturday

We met at the hotel at 8 in the morning, where we said goodbye to our families and hosts.

Then we took a bus from the hotel to the Cukurova Airport.

We flew from Cukurova to Istanbul and from there we flew to Wien, Schwechat Airport.
